

Covers / **Genuine Leather**

Our wide range of premium genuine leather is sourced from a trusted rawhide supplier right here in the UK. With a beautiful palette of 18 colours to choose from, you can add a touch of luxury to your personalised photo album.

The eco friendly tanning process creates a high quality rich colour with a resilient finish and naturally soft to the touch. Opt for a traditional embossed cover, a UV printed design or combine with one of our image options with a leather spine and back.

Genuine Leather / **White**

Our **White** genuine leather cover is a high grade premium rawhide, sourced from here in the UK. Select a genuine leather to create a truly stunning photo album in your perfect colour.

The **UV Printing Technique** offers more flexibility for your cover personalisation compared to the traditional embossing. With a computer generated grayscale print, you can create a full front cover design using black and white jpegs, text, logos or line art creations.

The colour of the UV print will be a silvery grayscale tone and the strength of this colour is dictated by the colour of your genuine leather.
